Material	ABS+Aluminium	ABS+Aluminium	ABS+Aluminium	ABS+Aluminium

Features

- Super big area of lighting, resulting in big coverage area of ray of light
- Straight down lighting technology makes the ray softer
- Lamp by metal and stable turn-lock clasp show the texture and the technology
- Dimmable version for 4 levels brightness, 3 color touch dimmer, adjusting the brightness and the color by your own

Benefits

- **Professional optical**
Soft ray of light keep eyes free from fatigue
- **Super big area of lighting**
Enough area of illumination keep eyes away from the excitation by strong contrast of light and shade
- **Sensitive—touch dimmer**
Adjusting the ray of light at your own sweet will
- **Convenient**
USB charge port brings convenience to your phone.
